

An on-site material check of completeness and is it installable.
(Dornbracht, Grohe, KWC, Hansa, Vola, HansGrohe, Jado, Duravit and Hoesch)

You all know the problem 

“Missing or un-installable parts at the job-site. The result is an unprofessional appearance for the Showroom / Designer, added costs for additional work do to missing parts, date of completion will be delayed and a lot of aggravation”

The solution is GPM’s material check.

How it works:

A technician of GPM will come to the job-site and will check all faucets and fixtures that they are complete and installable. If parts are missing, the technician will contact the showroom/designer with the information of the missing parts. If for some reason certain faucets and fixtures cannot be installed, the technician will contact the showroom/designer with this information.

How to order:

Complete the attached order form and fax it to GPM-PLUMBING at 603.698.8943
We will contact you and schedule an appointment with you at the job-side.

What are the fees:

Minimum charge (includes 3 objects e.g. sink, toilet, tub)	\$ 225.00
Any additional objects	\$ 50.00
Each additional visit of a technician will be charged at an hourly rate of	\$ 188.40
